

# St Luke's C of E Primary School Newsletter

Friday 28th May 2021

Go, shine in the world  
and live as Jesus lived, with  
compassion, honesty  
and integrity.

Dear Parents and Carers,

Thank you for your generosity during today's **Non Uniform day** :) We raised **£123.55** for charity fundraising, which will go towards our ongoing donations to sponsor a child's education through the charity **Plan International**. If your child forgot to bring their £1.00, you can still make a donation at the school office.

Next week, the school is closed for half term. **Monday 7th June** is an **INSET day**. We are looking forward to welcoming the children back to school on **Tuesday 8th June**.

We are delighted that Westminster local authority have agreed to provide Free School Meal vouchers (**Wonde**) to those families who are eligible over the half term break. These vouchers will be emailed to these families on **Saturday 29th May**, so do keep a look out for them.

Wishing you all a lovely, peaceful half term :)

Best wishes, **Mr Evans (Head of School)** and **Mrs Jackson (Executive Headteacher)**

## Year 6 Workshop: Crime and Punishment

In a fun, interactive workshop this week, Year 6 got a taste of what crime and punishment was like in the past, and how it compares to the present. An 'executioner' from the past visited St Luke's to tell Year 6 all about his life, bringing along a selection of real working artefacts, including weaponry and Tudor torture devices!

Year 6 also explored crime and punishment through games, exercises and activities in groups. There were plenty of props to play with and the children also showed off their acting skills as they recreated some famous historical punishments.

## Our COVID Risk Assessment...

As you know, we take the safety of our children, parents and staff very seriously.

We follow the government guidance to schools so our COVID risk assessment continues to require our staff to wear masks in the school communal areas and we will not be undertaking a residential school journey this year once again.

Please be assured that we will be lifting COVID restrictions slowly and carefully.

We are not rushing to lift COVID restrictions.

In science, **Year 1** have been learning to investigate their sense of taste.

## What to do if your child develops symptoms of coronavirus. . .

A reminder that, if your child is displaying symptoms of coronavirus at home, you must arrange a test for them immediately and inform the school of the result. Children displaying symptoms will not be able to return to school without being tested.

- 1) To arrange a test you should visit [nhs.uk/ask-for-a-coronavirus-test](https://nhs.uk/ask-for-a-coronavirus-test) or call 119
- 2) **DO NOT WAIT!** Your child should be tested on the same day they are showing symptoms, or the next day at the latest.
- 3) Please let the Head of School (Mr Evans) know immediately when you receive the result of your child's coronavirus test by calling the school office on **0208 103 1780**
- 4) If your child tests positive for coronavirus, you will receive a text, email or phone call from NHS that explains what your result is and what you need to do next.
- 5) If your child tests negative for coronavirus, your child can return to school.

## Our Prayer of the Week

*We learned about Integrity this week in assembly, one of our 9 Christian Values at St. Luke's.*

Dear Lord,

Thank you for Jesus,  
Who teaches us how to grow in your love and in your ways,  
so that we can share your love, light, and life with others.  
Help us always to have integrity and to do the right thing,  
Even when no one is watching.

Amen.

## Work of the Week!

Every week, a brilliant piece of work is chosen to be 'Work of the Week' and displayed in the school lobby.

In Year 2, we have been reading **George's Marvellous Medicine** and thinking about what ingredients we would include ourselves!

Marya used some excellent 2A sentences to describe her ingredients and used all the features of instructions: a title, a list using bullet points, numbered steps and imperative verbs. Marya also used brackets to give extra information about her medicine.

**A great set of instructions, Marya!**

## Parent Governor Vacancy...

Are you interested in becoming a Parent Governor at St. Luke's? We have a vacancy for a Parent Governor.

Our governors, who are a group of very supportive people, meet 6 times a year to discuss the work of the school. If you are interested in becoming a Parent Governor, we would be delighted to hear from you.

If you think that you would like to join our Governing Body, please let us know by calling the school office on **0208 103 1780**, or emailing us at [office@stlukesprimary.org.uk](mailto:office@stlukesprimary.org.uk) - we will then get in touch with you.

You could also speak to Mr Evans on the school gate, if you are interested.
